

*EcoOne*TM
Redesign Affordable Living

The main logo for EcoOne features the word "EcoOne" in a large, black, serif font. The letter "o" is replaced by a blue and green globe. Above the "o" is a green leaf sprig, and above the "e" is a blue house icon with a white window. Below the text is a blue wavy line representing water.

By:  **Solagenica**
TECHNOLOGIES INC.

The text "By:" is followed by the Solagenica logo, which is a yellow diamond shape with a white cross inside. To the right of the logo is the word "Solagenica" in a bold, black, sans-serif font, with "TECHNOLOGIES INC." in a smaller, black, sans-serif font below it.
